Re: 3M Company v. HSBC Bank USA, N.A.; 16 Civ. 5984

Dear Judge Gardephe:

We are counsel for plaintiff 3M Company ("3M"). We provide this letter to set forth the limited, immediate discovery that 3M has requested be permitted.

We seek limited discovery concerning the subjects listed on Attachment A from defendant HSBC Bank USA, N.A. ("HSBC") and from non-party Ziraat Bank ("Ziraat"). As to HSBC, we request permission to serve a document request and take a 30(b)(6) deposition. As to Ziraat, we request permission to serve a subpoena for both documents and 30(b)(6) deposition testimony.

We believe this limited discovery will assist us in answering the Court's questions concerning the connection between the letters of credit and performance guarantees at issue, the role of Aktif,¹ and the transfer of funds from PTT² to Vendeka,³ as well as provide further evidence of fraud.

¹ Aktif refers to Aktif Yatirim Bankasi A.S.

² PTT refers to the Turkish General Directorate of Post and Telegraph Organization and/or the General Directorate of Highways of the Ministry of Transport and Communication.

³ Vendeka refers to Vendekabilgi Teknolojileri Ticaret Ltd. Sti.

If the Court permits this limited discovery, we ask that it be ordered to proceed on an expedited basis because of the September 23, 2016 deadline for 3M to make an additional submission in support of its motion for a preliminary injunction. We propose the following expedited schedule: service of a document request and deposition notice to HSBC and a subpoena to Ziraat on or before September 13, documents to be produced on or before September 19, and depositions to be held on September 20 and 21.

Respectfully yours,

Beth L. Kaufman
